Project 02, every file in reading order

Paths are inside `Portfolio/manual/02-invoice-anomalies/`. Tick each one.

1. The documents

- `README.md`
- `docs/tutorial.md`
- `docs/reference.md`
- `docs/plan.md`
- `docs/triage-runbook.md`
- `docs/monitoring.png`

2. Setup

- `requirements.txt`
- `pytest.ini`
- `.gitignore`

3. The commands

- `run.py`

4. data: one dataset from project 01

- `src/data/load.py`
- `tests/data/test_load.py`

5. features: twenty-four, none from the future

- `src/features/build.py`
- `tests/features/test_build.py`
- `tests/features/test_customs_features.py`

6. evaluation: how a model is scored

- `src/evaluation/metrics.py`
- `src/evaluation/reading.py`
- `src/evaluation/splits.py`
- `src/evaluation/watch.py`
- `tests/evaluation/test_metrics.py`
- `tests/evaluation/test_reading.py`
- `tests/evaluation/test_splits.py`
- `tests/evaluation/test_watch.py`

7. models: the desk's rules and the models

- `src/models/rules.py`
- `src/models/train.py`
- `src/models/lifecycle.py`
- `src/models/scoring.py`
- `src/models/feedback.py`
- `src/models/exporter.py`
- `tests/models/test_rules.py`
- `tests/models/test_train.py`
- `tests/models/test_lifecycle.py`
- `tests/models/test_retraining.py`
- `tests/models/test_honesty.py`
- `tests/models/test_scoring.py`
- `tests/models/test_feedback.py`
- `tests/models/test_exporter.py`
- `tests/models/test_rule_weights.py`
- `tests/models/test_weight_honesty.py`

8. runs: the loop

- `src/runs/loop.py`
- `tests/runs/test_loop.py`

- `tests/runs/test_loop_story.py`
- `tests/runs/test_promotion_gate.py`

9. The shared fixtures and the last checks

- `tests/conftest.py`
- `tests/evaluation/test_floor.py`
- `tests/test_readme.py`
